BAJAJ DEGREE COLLEGE

OF ARTS, COMMERCE & SCIENCE (CODE : 1236)

NAVJIVAN JUNIOR COLLEGE

OF COMMERCE & SCIENCE (CODE: MU0272CFE / MU0272SFE)

‘PROSPECTUS’

BAJAJ DEGREE COLLEGE OF ARTS, COMMERCE & SCIENCE & NAVJIVAN JUNIOR COLLEGE is located

at a very premium property in Malad East, which is a very well-developed business and education hub of Mumbai Western Suburbs. Although Bajaj Institute is located at a two minutes walking distance from Malad railway station, the serenity and calm prevails in the campus. It offers a great learning environment for the teachers as well as students

At Bajaj Degree College & Navjivan Junior College students can feel a blend of traditional values and modern techniques. Each class room is air conditioned with projector and comfortable seating arrangements to create the best learning environment for the students to get the best infrastructure for better learning.

Bajaj Institute is for around personality development of its students. Hence it offers opportunities for various extra curricular activities, including on stage performance by the students by providing them with the facility of auditorium which has a capacity to accommodate more than 300 people.

The college has well equipped Physics, Chemistry, Biology, IT and Computer Science laboratories. This ensures that theories studied in class rooms can be practically learnt, implemented and experienced. It helps to convert their learning into understanding to encourage critical thinking, creativity and problem solving skills.

CHEMISTRY LAB

COMPUTER LAB

PHYSICS LAB

STUDENTS ARE ENCOURAGED TO PARTICIPATE IN VARIOUS CULTURAL EXTRA CURRICULAR ACTIVITIES.

Sports is as important for good health as education for good mind. Bajaj College encourages its students to participate in indoor as well as outdoor sports. The college gymkhana has various indoor games where students can play the games of their choice. The Bajaj campus also supports its students for outdoor sports by means of an open turf ground for football and cricket.

Administrative staff of the College includes trained and experienced personnel. They are well versed with their professional responsibilities and also appreciate the problems and issues of the students. They are always polite and compassionate towards students.

The success of an academic exercise of an institution largely depends upon the planner who leads the way ahead. At Bajaj Institute Dr. Harishchandra Tripathi (MA, Ph.D), a well known academician is assigned the role to plan the growth of the students. Dr. Tripathi has been associated with several prestigious academic institutions as a faculty as well as an administrator since last more than 30 years.

A good management is the key of success. Bajaj College is managed by experienced, philanthropic and professionally competent people who follow high standards of official practices in education.
